

Liaison Committee Meeting minutes- 12th October 2016

BA Society

- Feedback from survey: no action taken.
- BA Society is interested in working with Post-Doc Society (incoming early 2017). Interim committee in place until early April.
- Senior Tutor would like to know more about how fellows/college can communicate more effectively between fellows and students
- The BA rooms outside of Full Term are to be used for social events by the BA Society. For all other events the Junior Bursar must be contacted. BA should talk to the Junior Bursar instead of the Accommodation office in future for functions outside of BA room.
- Agreed that the BA Society will ask the Dean on a case-by-case basis for permission to charge entry to BA events. The matter of charging for food and drink by societies is related to the acceptable use of the ACC funding, which the Dean will discuss with the Senior Treasurer of the ACC.
- All agree that 3 of the BA Formals this term will try group seating out, where groups of up to 10 people can reserve seating together. Keep groups at ends of tables. A survey will be taken at the end of Michaelmas 2016 to assess whether anyone has been negatively affected by the group booking system.
- Being able to reserve formal hall tickets in advance under certain circumstances will be discussed at a later date because the Steward is not present. Will be discussed at food committee meeting
